

◀ BOURBON TO HANG YOUR HAT ON

Dating back to 1865, the Stetson hat tradition is legendary. The uncompromising

character and standards represented by John B. Stetson's motto—"Make things right and the best they can be"—are now at work in the spirits world. Working with Vision Wine &

Spirits, the company has crafted an 84-proof Kentucky straight **John B. Stetson Bourbon**, using native American corn and locally sourced grain, double-distilled in copper pots and aged in charred white oak barrels for four years.

SRP \$26.99
