

New Jersey-based Vision Wine & Spirits has added France's Gabriel Meffre Winery to its import stable. Under the new partnership, Vision Wine & Spirits will handle the U.S. sales and marketing for Gabriel Meffre's La Chasse brand, a collection of Rhône valley and varietal wines. Additionally, Vision Wine & Spirits will also take on a selection of the winery's premium cuvées, including entries from the Gabriel Meffre range in Gigondas, Châteauneuf-du-Pape and Côtes-du-Rhône Villages Plan de Dieu; Gabriel Meffre's single vineyards collection; and offerings from Gabriel Meffre's Estates tier.
