VISION ADDS KOSHER WINES TO PORTFOLIO

Vision Wine & Spirits has announced the addition of Kosher wines Pavolino from Italy and Dakor from Chile to their portfolio. Pavolino wines are from the Veneto region of Italy and include Pinot Grigio (SRP \$9), Pinot Noir (SRP \$9), and a full-sparkling Prosecco (SRP \$12). The Dakor line comes from the Curico Valley and in-

cludes a Chardonnay (SRP \$9) and Cabernet Sauvignon (SRP \$9). Pavolino and Dakor wines complement Vision's existing portfolio, which already includes Kosher spirits from Maraska and Berentzen.
