

RON HACIENDA SANTA ANA 138°

CASK STRENGTH RUM

DURING PROHIBITION, THE HACIENDA SOLD HIGH-PROOF MEDICINAL ALCOHOL CALLED SANTA ANA.

NOW, AFTER 138 YEARS, WE ARE PROUD TO REINTRODUCE

- Aged 2 years in ex-bourbon casks
- Master Blender: Luis Planas
- Always bottled at 69% alcohol by volume
- No caramel coloring
- Suitable for classic rum cocktails
- Retail placement: Over-proof rums
- **SRP \$29.99**

TASTING NOTE: Creamy nougat, balanced oak and spice presence, warming and bold, with an intensely fruity character that shows citrus, apricots, and pineapple.

"Ron Hacienda Santa Ana is masterfully blended to feature very balanced fruit notes, not an easy feat to achieve for cask strength rums. As a result, it works exceptionally well in cocktails and mixology."
- Luis Planas, *Ron del Barrilito Master Blender*
