## Ron del Barrilito BRAND

★ ★ ★ ★ ★

### A ONCE-IN-A-LIFETIME CHANCE TO TASTE A PIECE OF HISTORY

Ron del Barrilito has been made by a single family, in the same place and in very much the same way for well over a century. Since 1880, the Fernández family has been crafting the finest aged rum at Hacienda Santa Ana in Bayamón, Puerto Rico. Only two product varieties have been made throughout these 130 years: Two Stars (aged for at least 3 to 5 years) and Three Stars (aged between 6 and 10 years).

But this year, for the first time in the brand's history, Ron del Barrilito will release an extremely limited edition featuring a one-of-a-kind-blend of rums of up to 35 years old. Imagine the result of Hacienda Santa Ana's time-honored methods, but with the exceptional smoothness that only three decades of aging can bring. If you are a true rum connoisseur, this is a once in a lifetime opportunity you cannot miss.
