Sallywag is a Small Batch bottling created using only the finest Speyside Malts including some of Speyside's most renowned producers. Bottled at 46% abv and proudly non chill-filtered, Sallywag embodies all that is Speyside Malt Scotch Whisky – beautifully sherried, richly spiced and truly charming. Spanish Sherry butts care for this spirit as it matures, naturally imparting the distinctly dark, rich color. Inspired by a long line of Douglas Laing family Fox Terriers, the Sallywag name and endearing canine character are most fitting for this richly spiced and deliciously sweet Speyside Malt Scotch Whisky.

On the nose, one is greeted by rich spices of ginger, clove and cassia mingled with scents of tropical vanilla. On the palate, discover layer on top of layer of sweet stewed fruit, Christmas pudding and dark chocolate infused with nutmeg and cinnamon with a burst of zesty orange, sweet tobacco, malty cocoa and fruit cake on the finish. Notes of oily green walnuts, candied pralines and Assam tea. This whisky is rich, full-bodied, and carries a bold mouthfeel. Grain and cask are locked in an elegant embrace.

Matured predominantly in ex-sherry casks, this well-balanced Speysider combines elemental malts from such distilleries as Glenrothes (fruit and confections), Macallan (cream and spice), and Mortlach (beef and oil) to create something timeless. Sallywag is a bold homage to the powerful modern Speyside style. A blended malt for those seeking something sherried, robustly textured, and undeniably rich on the palate.
